

Dear Supplier,

Just a reminder:

Any changes or proposed changes to the design, material, or process used in producing the items you sell to Airtex Products **must** be submitted to our Supplier Quality Engineering Department and approved by Airtex Products prior to shipping any product with said change. Change requests should be submitted using our Supplier Change Request Form (AXSCR-001) which can be found on our website (www.airtexproducts.com) under Supplier Guidelines.

Failure to obtain Airtex approval of any change may result in rejection of any shipments made and costs incurred by Airtex will be charged to your account.

Your Supplier Quality Engineering contact is:

Mike Saltgaver
msaltgaver@airtexproducts.com
618-847-8551

or

Mike White
mwhite@airtexproducts.com
618-847-8426

Any questions you may have regarding this policy may be discussed with either Mike or with your buyer.

Regards,

Bruce Berry
Senior Commodity Manager
