

## Airtex Products Freight Routing Guide

**This routing guide is for under 9000 lbs and 10 floor spots only.**

**Any freight beyond that guideline should call shipping for routing instructions.**

**Parcel size shipments are for shipments under 100 lbs or under 10 cubic feet only and should ship FedEx .**

**Any shipments above that weight need to ship LTL per the routing guide attached.**

**Please ship all Product as Class 70 unless otherwise instructed**

**Please contact Airtex @ (618) 847-8493 for shipments larger than 10 floor spots or greater than 9,000lbs.**
